THE ART OF **BREAKFAST**

and healthy start to your day. Combining national trends with regional flavors we have sourced cage-free eggs, organic fiber rich cereals, steel-cut oats, gluten-free breakfast breads and our signature blueberry maple sausage patty that does not contain hormones or other additives. Our morning tea features whole-leaf tea and rough cut herbs. And we take great pride in our coffee which is directly sourced from the farmers and roasted with the highest of standards.

Welcome to the Art of Breakfast...
